

Advanced Competency in Home Health (ACHH)

an advanced program for PTs and PTAs in the home health setting

Program Registration Fees

The prices below reflect a **close estimate** of the total costs of participating in this program. There will be some variation, particularly for PTs who choose to participate in a longer elective course (a min. of 4 hours is required in the program, but some electives are 6-hours). Likewise, the on-site course registration fee varies slightly, depending upon when and where you attend. The information below is intended to give you good guidance; your actual final course fees may be slightly less or slightly more, depending upon your course choices.
